How to read the Fun Fair book

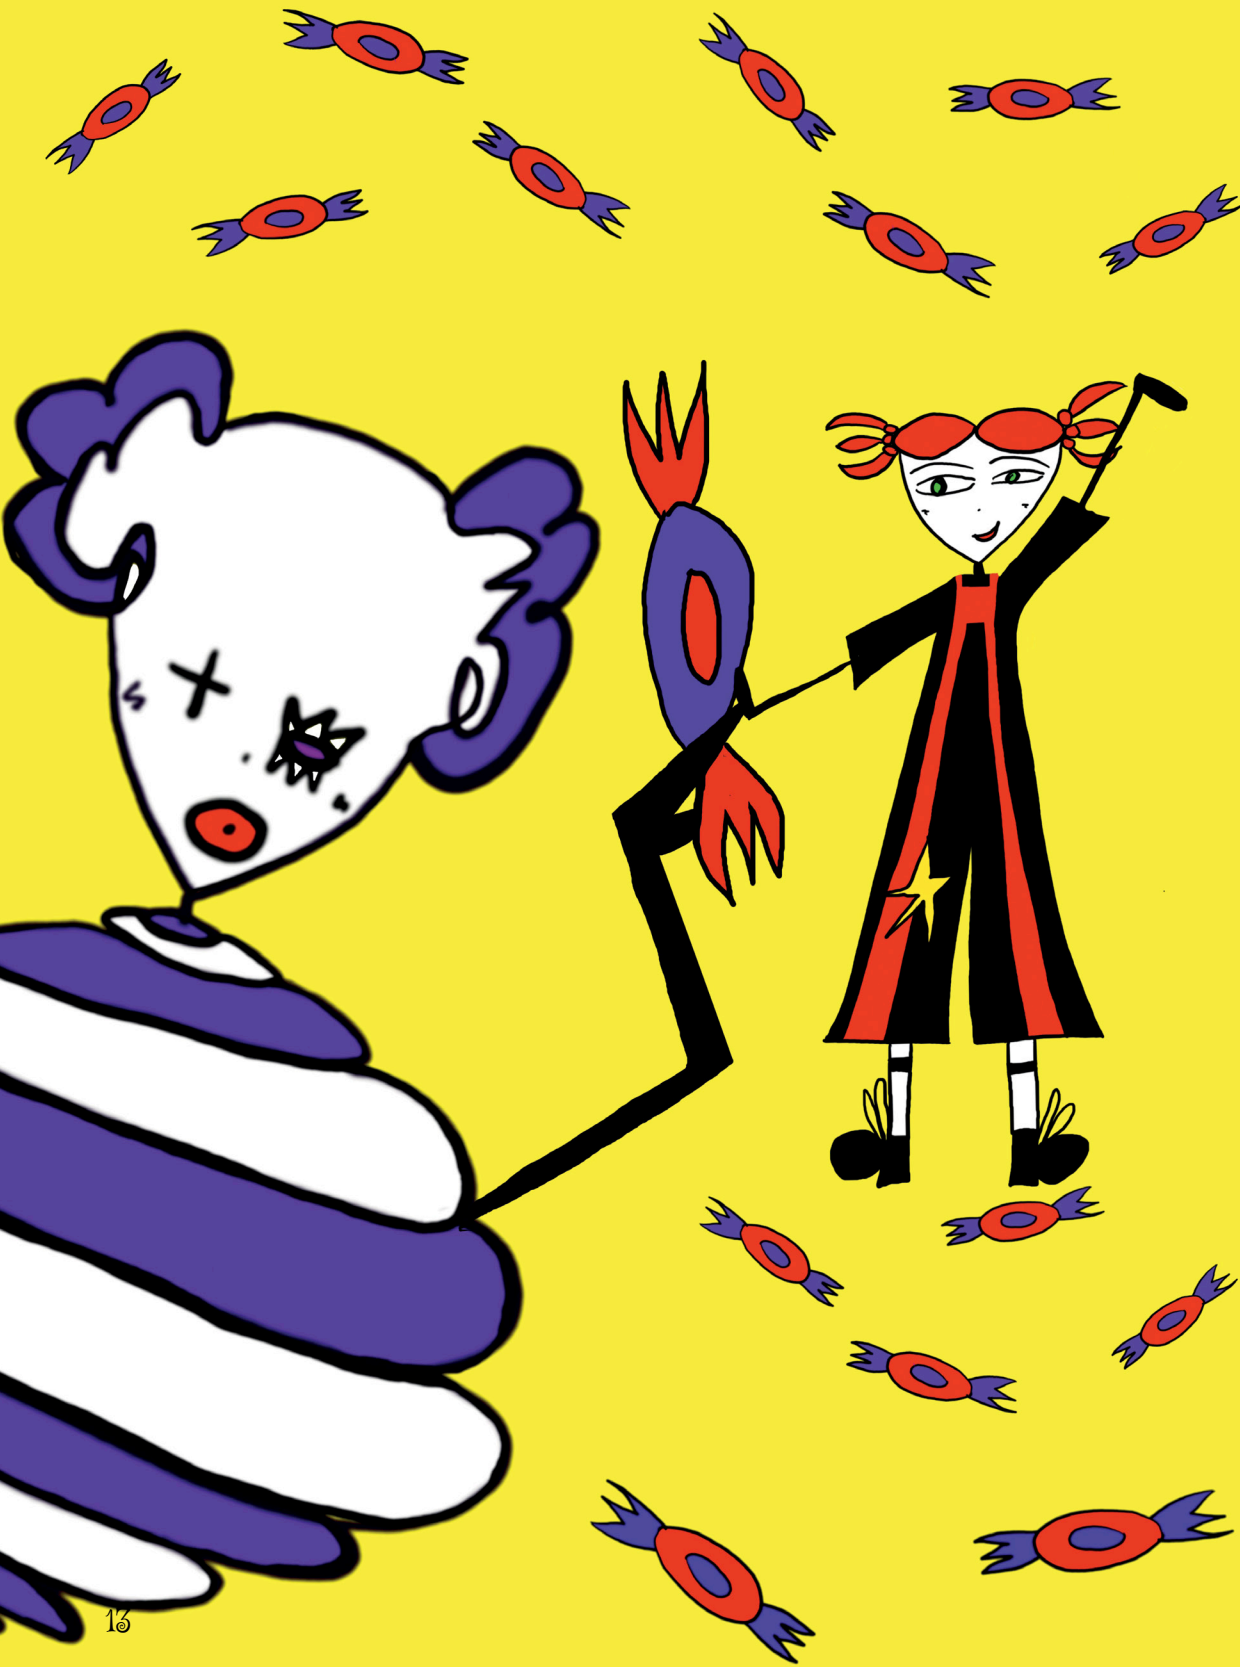

The Fun Fair book is an adaptation of an original play of the same name, performed by the authors in schools and theatres across Europe.

The writing is meant to represent the speech of the characters, much like a script. Enjoy your adventure!

Mr. Suits: I looked for Kiki all over the fun fair, but all I found was this video surveillance camera. I'm worried something happened to her. Can you help me, friends? Yes? Super. First we have to become special agents. Give me a thumbs up if you are an agent. Awesome. Let's watch the video. Rewind, zzzzwish, and play.

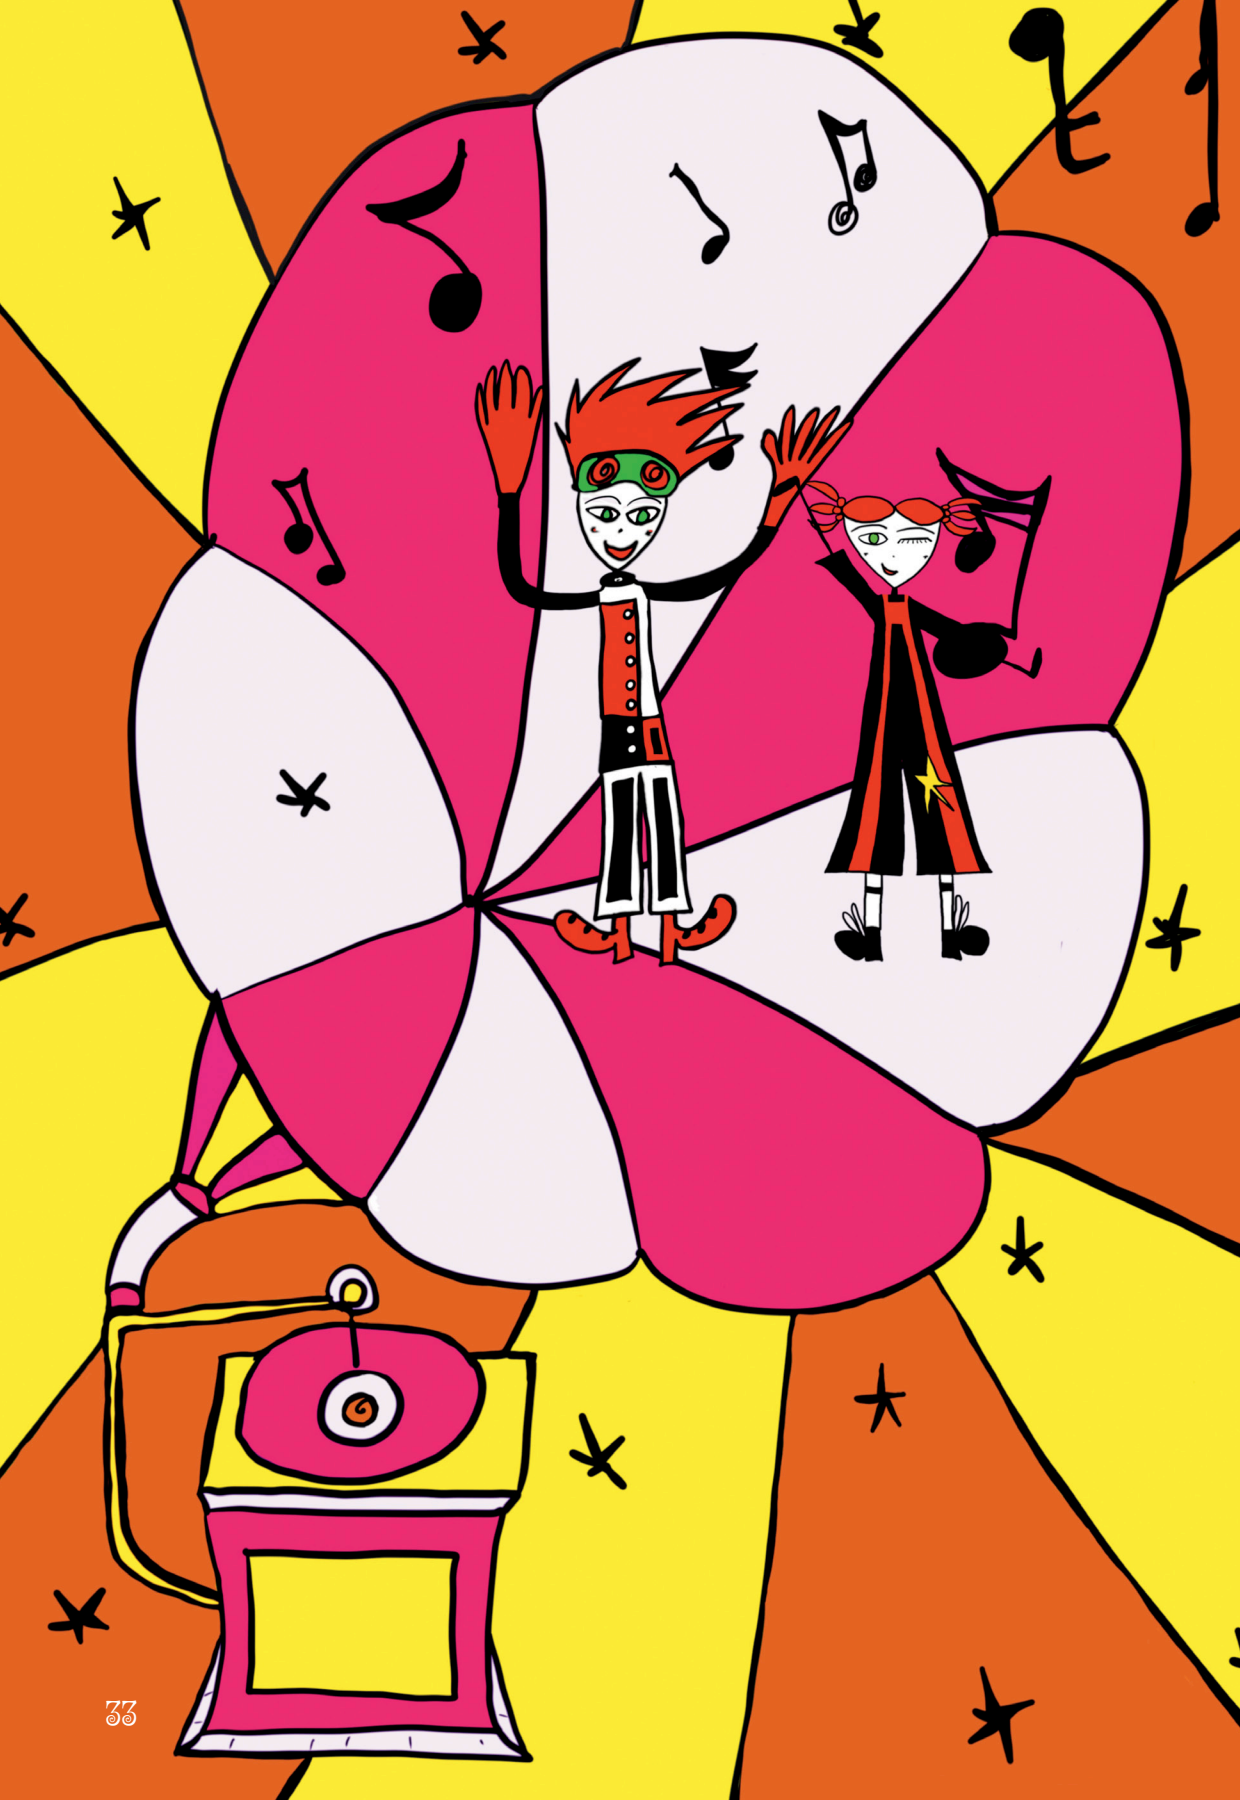

This is fun.
Where are we
going?

To my cave...

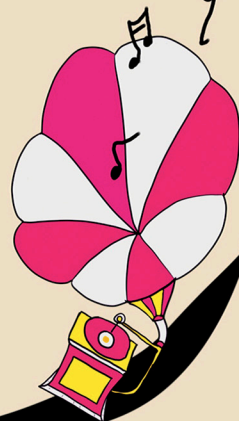

Mr. Suits: Kiki. These are all our new agent friends! We are so happy we finally found you!

Kiki: Thank you for helping friends. Wow. I have had a crazy day at the funfair. I met a clown, a werewolf, a vampire, and a crazy doctor.

Mr. Suits: Thanks Agents for saving Kiki's life. You totally rock! To continue with our fun adventure try to solve the hidden word game by using all the clues we found. Take care Agents! Be safe and see you next time when we embark on our Decoding mission adventure! We will save planet Earth from the black air virus.

PEACE!
